LEXMARK
TM

Lexmark **Colour Laser MFPs**

Expand your horizons.

The ultimate multifunction solution

In today's competitive business world, it's more important than ever to ensure your workgroups are armed with all the tools they need to stay productive. One of the most effective ways to achieve this is by integrating Lexmark's highperformance colour MFPs, which consolidate all your critical document functions into a single space saving device. In addition to brilliant colour output and ultra fast print speeds, you'll benefit from advanced scanning, copying, faxing and much, much more!

Attractive yet affordable colour

Lexmark has mastered the art of colour, as well as the art of controlling it! With our newly enhanced toner, you can liven up your business documents with crisp text, rich flesh tones and consistent images from first page to last. And you can also control colour output costs effectively at every level of your workflow. These devices come equipped with a complete range of colour cost control tools, such as colour print permissions and a coverage estimator to assess the cost of a job before printing.

Lexmark **Colour Laser MFPs**

A big touch of simplicity

Now, performing workflow tasks is extraordinarily simple for any type of user. That's because Lexmark's colour-laser MFPs are designed with a super-intuitive, award-winning touch-screen interface. Incredibly large, vivid and fully customisable, it makes working a breeze.

Whether you want to scan documents, print in duplex, pull up email addresses or preview documents as you scan, it's all as easy as a couple of touches of the screen. A world of possibilities at your fingertips!

Total security for true peace of mind

Corporate information is one of your most valuable assets, and protecting it is absolutely critical. Lexmark's colour MFPs come equipped with the most sought after security features to ensure this information always stays safe and sound. In addition to advanced user access

restriction tools, you'll benefit from a wide range of data security features too, from disk wiping and encryption to secure data transmission and confidential printing.

Lexmark **Colour Laser MFPs**

Save time, money and paper

If you're still printing, shipping and processing piles of hardcopies, this may be eating into your profits on a daily basis. Lexmark's colour laser MFPs provide the ideal platform to benefit from Lexmark's enterprise workflow solutions, which include distributed capture, electronic document distribution, on-demand forms and many others. Whether embedded or server based, these solutions help you print less, lower costs, reduce waste and streamline your business processes dramatically.

Ready for anything!

With such a versatile range of options, your possibilities are practically endless! Thanks to the multiple input drawers, you can run diverse paper types or heavy print runs. Then polish off your documents with professional finishing, including stapling (alternative configuration required for X782e). Want to create a banner with your logo, or a special promo on outdoor media? The X782e makes it easy. Want to produce your own catalogues in-house? The A3 models offer a Booklet Finisher, which lets you create dazzling colour booklets in-house.

Which model is perfect for your needs?

Lexmark X782e

- A4 colour MFP for high volume needs
- Printing up to 38 ppm mono, 33 ppm colour
- ColorCare cost control tools
- State of the art security features

Lexmark X940e

- Wide format printing up to A3
- Advanced copy and scan functions
- Printing up to 40 ppm mono, 30 ppm colour
- 1,140-sheet standard input capacity

Lexmark X945e

- Wide format printing up to A3
- Adapted to higher volume output needs
- Printing up to 45 ppm mono, 40 ppm colour
- 3,140-sheet standard input capacity

Lexmark's guarantee to you : At Lexmark, we're always working hard to ensure you achieve maximum productivity and minimum downtime. Our colour-laser MFPs include our solid service guarantee of One Year On Site Repair, with a response time of next business day (in serviceable areas). For an even greater level of peace of mind, you can opt for one of our extended guarantee service offerings. For more information on any of these offerings, just contact your local dealer or visit us today at www.lexmark.co.uk.

Lexmark X782e

Outstanding colour and intuitive interface – a brilliant combination

The Lexmark X782e offers brilliant colour output and a rich range of multifunction features – all in a single high performance, space saving A4 device. And it will boost your productivity with rapid print speeds up to 38 ppm in mono, 33 ppm in colour.
